Dear Valued Customer,

GOOD DISTRIBUTION PRACTICE (GDP)

We at "K" Line Logistics (Singapore) Pte. Ltd., are pleased to announce that our medical unit of the company has been certified according to Singapore's Health Sciences Authority's (HSA) Good Distribution Practice (GDP) which ensures products are consistently stored and handled under appropriate conditions as required by the marketing authorisation or product specification.

Throughout the accreditation process, we have developed, implemented, streamlined, and improved our processes and procedures with increased efficiency in our Supply Chain Management.

We continuously benchmark with the best in logistics to improve our service level to meet or exceed the needs and expectations of our customers and stakeholders, while complying with regulations and specifications.

We are looking forward to new opportunities and projects with our long-time partners and new customers.

HSA CERTIFICATE NO: MCGD2400005
